Harvey, IL 60426

Facing Addiction | Considerations

Across the Lifespan

Presented by:

The IIAR Clinical Outreach Team

In this workshop, participants will:

- Examine the stigma around addiction
- Learn about the medical model: addiction as a brain disease
- Explore considerations for adolescents, adults & older adults
- Attain techniques for intervention

Participants earn
3 free CEU's
(IAODAPCA, LPC,
LCPC, LSW, LCSW)

Light refreshments
will be provided

Registration is required to attend.
